As It Used to Be Played Long Ago.

A great event in base ball is down for Monday afternoon next at 3:30 on the League grounds. It will be a match between All Honolulu outside of the League and the United States Navy Officers in the Philadelphia and Marion. There will be free admission to the public, and every accessory to make for brilliancy—especially in the grand stand—will be arranged.

All protests are barred but disputes will be referred, over the umpires' heads, to a committee of seven composed of three ladies nominated by each side who will select a seventh member. James G. Spencer, an oldtimer on the diamond, escapes duty as a player by accepting the post of umpire of the bases. The arbiter of strikes, etc., is not yet announced. Mr. Willard, secretary to Admiral Beardslee, is captain of the Navy nine.

Hits by pitcher and slides to base will be mitigated in results by the presence of the Red Cross and ambulance corps. The naval torpedo corps will assist in coaching.
